Helsinki

Helsinki – město možností

A dark, irregular ink blot with white splatters on a white background. The blot is roughly circular but has jagged, organic edges. The center of the blot is a deep, dark blue or black, while the edges are lighter, showing a mix of dark and light blue tones. Numerous small, white, teardrop-shaped splatters are scattered around the blot, particularly towards the top and right sides. The overall effect is that of a fresh ink spill on a white surface.
