COOPERATION

FBE MENDELU

About the faculty

Over the 60 years of its existence, Faculty of Business and Economics (FBE) of Mendel University in Brno has over 20,000 successful graduates. Currently, almost 3,000 students study management, economics, and informatics in courses offered by FBE both in Czech and English.

FBE MENDELU graduates will find jobs as economists, managers, in business, financial sector, public administration or as designers of information systems, programmers and other IT specialists. According to a recent enquiry among the graduates, 97 percent of them have had no problem getting a job immediately after graduation.

The faculty is located in pavilion Q of the Černá Pole campus, which provides ample and comfortable space for teachers and students with state-of-the-art research and teaching facilities.

The building offers three large teaching halls and 32 rooms for seminars equipped with modern audiovisual media.
