Learning agreement – table A

Receiving university courses

- have to be relevant to your study programme
- state full, official names of the courses

You are not allowed to enroll for

- courses you have already passed at MENDELU
- language courses on lower level than already achieved

Learning agreement – table A

*Note: Some universities use decimal numbers for courses (e.g. 4,5 ECTS), write them in table A.
In table B, the total number of credits should be rounded up.*

Learning agreement – table B

3 types of course recognition:

	Course studied at Receiving university	Course will be recognized at FBE for
Corresponding syllabi	Management	Management (EBA-MAN)
Professional course which does not have equivalent at FBE	Economy of Finland	Recognized International Mobility Course (EXA-UPxx)
Other courses of your interest	Languages, History,..	Recognized International Mobility Course (EXA-UPxx) Excluded from required minimum of 18 ECTS!

Learning agreement

Number of ECTS credits in table A and B should be the same. You can modify (increase/decrease) the number of credits in courses *EXA-UPxx if necessary.

Table A		Table B	
Receiving university	ECTS	Courses from your study plan at FBE	ECTS
Management	6	Management	6
Human Resources in Companies	4	Human Resources	5
Microeconomics fundamentals	6	Microeconomics	8
Economics in Finland	4	*Recognized International Mobility Course	1
English for analysts	3	*Recognized International Mobility Course	3
total	23	total	23

Number of credits of EXA-UPxx was decreased by 3 ECTS, because two courses from Receiving university had smaller number of credits than corresponding courses at FBE.

Learning agreement

Example:

Table A	
Receiving university	ECTS
Management	6
Human Resources in Companies	7
Microeconomics fundamentals	8
Finance in Companies	5
-----	--
total	26

Table B	
Courses from your study plan at FBE	ECTS
Management	6
Human Resources	5
Microeconomics	8
Business Finance	5
*Recognized International Mobility Course	2
total	26

Course *EXA-UPxx was added to achieve the same total number of ECTS in table A and B.

Learning agreement – Table B

*Note: Bachelor degree students may enroll for master degree courses at Receiving university. Such courses will be recognized for **EXA-UPxx**.*

Consequently, upon enrolment to master studies, students may apply for recognition of corresponding courses from their study plan (without credits).
