

Invitation: Summer School of Applied Informatics – September 11, 2025

Dear colleagues and friends,

We are delighted to invite you to the **Summer School of Applied Informatics**, organized by the Department of Informatics, Faculty of Business and Economics, Mendel University in Brno. The event will take place on **Thursday, September 11, 2025, from 9:00 AM to 5:00 PM**, in **Building M, Mendel University campus**, Zemědělská 1665/1, 613 00 Brno.

This year's edition will focus on two main topics:

1. **Artificial Intelligence methods and tools** – with applications in the agri-sector, sustainability, and socio-economic sciences
2. **Cybersecurity** in the era of pervasive use of AI technologies

The summer school is designed for **doctoral students** from our department and their supervisors, as well as **invited experts** from academia and industry. Doctoral candidates will have the opportunity to present their research intentions and results and receive informal, friendly feedback in a collegial environment.

Participation is free of charge.

If you are interested in **accommodation before or after the event**, please mention it in your registration — we can help arrange a stay in **university housing operated by Mendel University, located near the venue**.

To help us organize the program, we kindly ask you to confirm your attendance by **August 31, 2025**, by sending an email to Andrea Šašinková, andrea.sasinkova@mendelu.cz

If you have any **time constraints**, please include them as well — the agenda will be scheduled based on the availability of registered participants.

We look forward to meeting you and spending an inspiring day together!

Warm regards,

(on behalf of the organizing team)

Tomáš Pitner, Oldřich Trenz Department of Informatics, FBE MENDELU
